Has God ever trusted you with a difficult task, and rather than obey you wanted to run away?

Do you struggle with sometimes feeling overwhelmed by trials, and want to understand anger and depression?

Do you have questions about God's forgiveness and need to know your responsibility in regards to forgiving others?

This Bible study will take an in-depth look into the book of Jonah to see the nature of God, the role of the Old Testament prophets, as well as investigate a variety of topics that will challenge each of us in our walk with the Lord.

## Sunergos Bible Studies

Diligent study of His Word will equip us to carry out God's plan in our life so that we might truly enjoy Him forever

1 Thessalonians 3:2 and we sent Timothy, our brother and God's fellow worker (*sunergos*) in the gospel of Christ, to strengthen and encourage you as to your faith.

To make the study come to life, this inductive study will use the Bible as the primary source of information. The inductive method includes four steps. First you will be asked questions to help you carefully *observe* the text as you "read with a purpose." The next step involves careful and accurate *interpretation* of the Scriptures being studied, that you might determine *eternal principles* from the text, and then *apply* these Scriptures to the circumstances of your life.
